

APEX ALUMINUM DIE CASTING COMPANY INC. SUCCESS STORY

"We are very pleased with the opportunities we have in Piqua with its great access to markets and its competitive cost-of-doing business. Our new Atlas Precision Machining Company facility is co-located with our Apex Aluminum Die Casting operations and provides us additional cost-savings and growth opportunities for both operations."

Pat Zimmerman, PRESIDENT
Apex Aluminum Die Casting Company

THE KEY POINTS

- In early 2011, the company began work on an 8,000 square foot addition to the Apex Aluminum Die Casting Company's campus to accommodate the Atlas operations.
- Atlas Precision Machining Company currently employs eight employees, who design and build die cast molds and tools exclusively for Apex Aluminum Die Casting.
- Apex Aluminum Die Casting Company was founded in 1980 and has remained a family owned and operated business. Apex serves the electrical products and heavy truck industries across the United States.
