

TRUPOINTE COOPERATIVE SUCCESS STORY

“When Trupointe Cooperative was looking for a site for its new corporate headquarters, we looked for a location where we could effectively serve our members and grow our business. We found those attributes in the City of Piqua with its great access, favorable business climate and supportive local government.”

Trupointe Cooperative

THE KEY POINTS

- The company purchased an existing professional office building in 2010 and made substantial renovations, helped in part by a City of Piqua Rapid Outreach Grant.
- Trupointe brought nearly a dozen executives to the new corporate headquarters in October of 2010 with plans to grow its presence in Piqua over the next several years.
- Trupointe was formed by the consolidation of Advanced Agri-Solutions and Southwest Landmark and serves member agricultural cooperatives from Fort Wayne, Indiana to Georgetown, Ohio.
