

WINANS SUCCESS STORY

“From the beginning, we knew Winans needed to be part of the Fort Piqua Plaza renovation project. Since moving into our beautiful space at the Plaza, our business has exceeded our expectations. We are dedicated to working with the City on this and future projects to grow our brand and our business.”

THE KEY POINTS

- The 1,500 sq. ft. retail location adjacent to the Piqua Public Library was completed in 2008 and provides a great place for library patrons and downtown visitors to enjoy the company's outstanding chocolates and coffees.
- Currently in their fourth generation of family ownership, Winans Fine Chocolates & Coffees is one of the oldest, family-owned and operated chocolate confectioneries in the country.
- From fresh, small batch chocolates and hand-wrapped caramels to locally roasted coffees, Winans serves customers throughout the U.S. from its factory locations in Ohio and stores across the Midwest.
