

# FRENCH OIL MILL MACHINERY COMPANY SUCCESS STORY

“The French Oil Mill Machinery Company was started in Piqua in 1900 because of the community’s rich industrial heritage and its great workforce. Today, we continue to grow and innovate here in Piqua because of the community’s access to markets, its favorable business climate, and the excellent workforce development resources.”

**Daniel P. French**, CHAIRMAN AND PRESIDENT  
French Oil Mill Machinery Company

## THE KEY POINTS

- The company recently added 25 new associates at its Piqua manufacturing facility to help meet the demands of its growing international business, including sales from its new Shanghai office.
- French Oil Mill Machinery is a family-owned company that designs, manufactures and supports process equipment for the molding, oilseed, pulping and synthetic rubber industries.
- The company operates a 225,000 square foot manufacturing facility and has its corporate offices in Piqua, Ohio, serving customers in 80 countries worldwide.
