

QUINT CREATIVE GROUP SUCCESS STORY

As small business owners, we know how important it is to have access to the right resources to help companies grow and succeed. The City of Piqua, the Piqua Area Chamber of Commerce and Mainstreet Piqua have been there for us with the resources we needed to grow our business in downtown Piqua.

THE KEY POINTS

- To help them better serve their customers, Quint Creative Group purchased a CNC router system in late 2010 thanks in part to the City of Piqua's USDA-funded Rapid Outreach Revolving Loan Program.
- The company's Piqua facility houses a complete fabrication and production shop, including a large installation bay for trucks, trailers, and vehicles.
- Founded in 2000, Quint Creative Group is a full service sign shop, providing everything from the concept and design to installation.
